PATIENT POSITIONERS

EVOLUTION Supine Head Positioners

REF VSHP23 Supine Head Positioner Medium Style 2

REF VSHP24 Supine Head Positioner Large Style 2

**For use on Operating Table Mattress
to hold Patient's head stable during surgery**

VascoCare Medical have introduced innovative new Supine Head Positioners to the EVOLUTION Patient Positioner Range.

These provide enhanced pressure relief with a proven anatomical design.

Features

- Unique and innovative design that **redistributes weight of the head and provides enhanced pressure relief** compared to regular Head Rings.
- The positioners are made from two components. The inside of the product is comfortable **Visco-elastic foam**. The outer coating is a **seamless, non-porous Hi-Tech Membrane** with high tear strength making it a very robust product.
- The outer coating has **Excellent Abrasion** and is **Puncture/Burst Resistant**.
- It has excellent flexibility that **improves conformity to the skin**.
- Provides **Zero Interface Pressure** under the Occipital Bone.
- High strength bond between foam and coating creates an ultra strong laminated structure for a **long life product**.
- The outer coating provides an excellent **fluid-proof barrier without any seams** or other **bacteria harbouring features on the outer surface**.
- Completely **Latex free**.
- Head Positioners provide **excellent Neck Support and Head Stability** compared to regular Head Rings.
- Competitively priced to make it a **cost effective option** against regular Head Rings.
- Two Year** Product Warranty.
